PTA – Annual General Meeting – Treasurer’s Report

It has been a challenging first year in my role as treasurer of the PTA but for all the right reasons! We were very lucky to be able to bring back many of the events that the PTA have not been able to run throughout the previous pandemic years, so while I was learning the role, others were fairly rusty!

Our first big event was the Christmas Fair and Raffle in which we raised over £3,200! This marked a fantastic start and we are very grateful to those that donated prizes for the raffle and the volunteers that rallied on the day. The sale of children’s designed Christmas cards and gifts raised an additional £300.

The spring term brought a couple of movie nights back to the school which were enjoyed by many and raised just under £700. The monthly cake sales also raised a healthy £416 (perhaps not so healthy on the waistline!).

We were very excited to return the summer fair to Albourne School, raising a brilliant £3,000 for the school and more importantly providing a great family afternoon full of entertainment, fun and games.

Other activities that have helped raise funds for the school included second hand uniform sales (£170), sports day refreshments (£90) and lolly sales in summer (£850).

You have all helped to raise an additional £117 via EasyFundraising and £150 via Amazon Smile. Please do sign up to these if you haven’t already as they are very easy ways to raise funds without doing anything! Let us know if you need the details.

All in all we have raised a whopping £9,200 this year and donated over £10,000 to the school, leaving a bank balance of £7,600 heading into next year.

Thanks again to everyone that has donated, supported and volunteered for the PTA this year – I hope the next year is just as successful, if not more!
