Growing Together on Our Learning Journey

Dear Albourne Family,

It has been an incredible year at Albourne and we have many people to thank. Thank you to our Kestrel class for the most amazing performance of Oliver at Hurst College; we have never seen such a professional Y6 performance. Thank you to the children of Albourne, who make working here truly special because they are keen learners, kind and always up for a challenge. Thank you to the parents / carers for all of their help, support and friendly faces. Thank you to our wonderful PTA for the events that they organise, the money they raise and the difference this makes for the school and children. Thank you to our staff for their dedication to the children, their hard work and their determination to always be the best that they can. We have many exciting projects planned for next academic year and look forward to seeing you all in September.

Let your light shine so bright that others can find their way out of the darkness.
