Living life to the full

Vision and Targets: The Albourne Way - *Living life to the full*

Everything we do at Albourne Church of England School is underpinned by John 10:10 'Jesus said, ***"I have come that you may have life in all its fullness."*** When developing a 'Culture of Excellence for ALL', we encapsulated life in all its fullness within The Albourne Way. The Albourne Way came out of our vision to nurture and enable all of our children to flourish and be the person that they are capable of being. The Albourne Way encourages both the community and our children to be caring citizens, confident and independent learners as well as responsible and resilient individuals. They will use the Christian Values, learnt and understood during their time at Albourne School to guide and support them to experience life in all its fullness as they progress from Primary School towards adulthood.
