Dear Albourne Family,

What an amazing year we have had at Albourne C of E Primary. We have driven the Vision – the **Albourne Way – living life to the full** and have seen this lived in everyday life here from the progress the children have made to the rich learning experiences they have had. Our children have flourished, leading to above National results across the board. Although outcomes are incredibly important, there have been so many rich learning experiences as well. As part of the Hurst Education Trust, the staff have had excellent professional development, using the latest research to ensure the highest quality of teaching & learning across the school. All schools that are part of the trust have termly monitoring visits to ensure that the children are experiencing the best possible education and our latest report states that, **'Albourne school continues an upward trajectory of improvement and is now showing features of a truly high performing school.'** We are passionate that we are creating a culture in which **ALL** children are ambitious learners and are excited about learning. Next year, we have many exciting opportunities for the children and will be unpicking the attributes of an excellent Albourne Way learner with them, as well as launching our Grow & Cook The Albourne Way area.

We wanted to say a huge thank you to all of you for your support throughout the year; you are a very valued set of parents and carers. Have a lovely summer break from the Albourne team.
